Dear 6<sup>th</sup> Grade Parents,

As you know, your child will be applying to middle school this year. You probably have a lot of questions about the process. Please attend the middle school fair that will be taking place on Thursday, October 2, 2014 at IS 204. It will give you the opportunity to speak to representatives from all district 30 middle schools.

I am also sending you District 24 and 30 directories. Please make sure that you hold on to these booklets. They contain a lot of important information about the different middle school options. You will need to refer to these directories when you complete the middle school application which will be sent out in a few weeks. I will also be holding middle school information sessions in October at our school. Your child will receive a flyer with the session dates in a few days.

If you have any questions, please feel free to call me at (718) 383-7495. Thank You!

Sincerely,

---
